School Vision

Our vision is to be an oversubscribed two-form entry school with wraparound care from 8am to 6pm, with a highly qualified, stable staff, providing first class opportunities for all pupils to meet their potential.

To help achieve this vision we will:

-  Provide a happy, safe and secure environment in which every child is valued as an individual and can succeed.
-  Build a community based on the home/school agreement in which all are involved in fostering attitudes to care, tolerance and understanding.
-  Help all children to build on their previous experience and acquire further skills and knowledge which they will need for their future learning and life.
-  Provide equal opportunities for each child to develop independence and responsibility for themselves, other people and the environment within the school and the local and wider community.
-  Make the most of every opportunity, both in and out of school, and develop an 'I can do' attitude and love of learning.

Our School

Melcombe Primary School is an outstanding primary school opposite Charing Cross Hospital in Fulham. The school uses a highly successful teaching and learning model, which integrates both Brain-based Learning and Visible Learning principles and ideas, and by which the school has become internationally acknowledged as a leader in the teaching and learning arena.

The intake of the school is diverse and it is rightly proud of its multiculturalism.

In September 2019 the school will federate with Bayonne Nursery, James Lee Nursery and Melcombe Nursery to form the Thames Reach Federation of Schools
