Equality, Diversity, and Inclusion Policy

1. Introduction

The purpose of this policy is to provide a clear statement on the council's commitment and approach to equality, diversity, and inclusion, in the areas of employment, service delivery and procurement.

The policy supports the council's vision to become the 'best council' and to provide a safe environment for staff to work in free from discrimination, bullying, harassment and victimisation with a clear focus on delivery of high quality services to residents of the borough.

2. Policy Statement

Hammersmith & Fulham Council is committed to equal opportunities in employment and service delivery. The policies and practices of the council aim to promote an environment that is inclusive and free from all forms of unlawful discrimination and values the diversity of all people. At the heart of our policy, we seek to treat people equally, fairly and with dignity and respect. The council will take every reasonable and practical step to ensure that no person working for the council, all job applicants, former employees, or any member of the public using the council's premises or services will receive less favourable treatment (direct discrimination) or will be disadvantaged by requirements or conditions that cannot be shown to be justifiable (indirect discrimination) because of; are perceived to be; or, are associated to any of the following:

We recognise that the provision of equal opportunities and inclusion in the workplace is not only good management practice; it also makes sound business sense. The council recognises that staff are our most important resource. Affording staff full dignity at work promotes good employee relations and satisfaction, and results in a motivated, productive, and creative workforce, that leads to service improvements.

Our Equality, Diversity and Inclusion Policy will help all those who work for us to develop their full potential so that the talents and resources of the workforce are utilised fully to create a borough of opportunity for all.

We will take proactive steps to ensure that the policy is known to all employees, potential employees, and organisations that we work with. We will also ensure that equal opportunity, diversity, and inclusion is embedded in all our policies, procedures, day to day practices and external relationships.
