

Friends

of Melcombe

Melcombe Primary is an inner-city school committed to achieving not only high educational standards but also providing a range of activities that are designed to develop every child's ability to their full potential, irrespective of their background.

At our school, we have a wonderful community of children, teachers, support staff and parents. We are very proud of our achievements and the hard work of a lot of people connected to the school.

Introducing Friends of Melcombe

Friends of Melcombe exists as a liaison between the teachers, students and families all working together to strengthen the Melcombe community and create an enjoyable learning environment for our children.

As a community, we are committed to providing a range of activities that are designed to support the school. Our primary goals are to generate additional funds for the school through fundraising events and projects, as well as creating opportunities for families to socialise and get to know each other better.

Friends of Melcombe FAQ's

Who are the members of Friends of Melcombe?

We are ordinary parents and family members working closely with the school to ensure a consistent approach to fundraising events and community spirit.

Why do we do fundraising?

As we all know government funding for schools is shrinking by the day and there are many expenses connected with creating and maintaining engaging environments for learning. Additional funds raised, are to support our children's learning journey.

Current focus areas include:

- Making enhancements to the school playground
- Contributing to the annual Athletics license fees (Target £ 1500 per year)
- Reading scheme backfill and maintenance (Target £ 1000)

How can you get involved?

As much or as little as you'd like. You can assist by attending meetings, volunteering at events, becoming a class rep or if you're unable to do that, show your support by attending events held.

How can you contact us?

Email us! Please send your feedback, comments or ideas to hello@friendsofmelcombe.org

Get Involved!

Anyone can help and everyone is welcome. We will begin promoting current projects and events in the newsletters and class blogs each week. We look forward to getting to know each and every one of you.
